Appearing before the Committee with their respective budgets were:

Register of Probate, Bernice M. S. MacWilliams
Register of Deeds, Zella E. LaForge
County Extension Service Agent, Stanley Colby
Clerk of Superior Court, John W. McCrillis

Sheriff, James F. McCusker; who proposed adopting a straight salary for the Sheriff and one full time Deputy, the purchase of two cars, etc., which would prove to be more economical than the present fee system.

Superintendent and Matron, Omer C. Ahern and Rosa C. Ahern on behalf of the County Farm and County Home budgets. Because of the time consuming explanations of their increased budget, discussion of abutting property for sale, and the necessity of surveying the entire County Farm property, Harry Spanos moved for adjournment, seconded by Wirkkala and the Executive Committee recessed at 6:05 P.M. until it meets again on January 28, at 7:30 P.M., same place.

The Executive Committee of the Sullivan County Delegation continued its recessed meeting of January 24th on Thursday evening at 7:30 P.M. in the Commissioners' Office, Court House, Newport, New Hampshire.

Present were the following: Messrs. Nahil, Guest, Wirkkala, Barrows, Spanos and Vice-Chairman DeLude (presiding for Chairman Marx, who was unable to attend) and Clerk Ruth M. Hamilton, as members ex-officio.

Executive Committee Chairman Nahil presided.

The Committee studied the proposed budget carefully, item by item, and after serious debate it was the unanimous agreement by this committee that the following changes and recommendations be made to the Delegation on February 11th.

Anticipated Revenue changes:

From \$12,900 to \$13,000 from County Farm

From \$189,220 to \$202,000 from County Hospital

Expenditure Changes:

The Commissioners' request for a \$1200 increase in salary provided much discussion. Finally, it was declared by a motion made by Mr. Guest, and unanimously approved by the Committee, that salaries remain in their present form until the Legislature meets in two years, when a \$600 increase will be recommended.

Also recommended: Sheriff McCusker's second proposal of straight salary, two county cars and no mileage expense — this may prove to be an economy. This will be further discussed at the Public Hearing.

Another recommendation given by Mr. Wirkkala: That Chairman Martha Frizzell of proposed new hospital study committee appear before Delegation with the report of said study.

Chairman Nahil announced a \$25,981.28 increase over last year's budget.

It was decided to hold the Public Hearing in the Claremont office of County Commissioners' on Thursday, February 11, 1965 at 7:30 P.M.

July 6, 1965

The Sullivan County Delegation met in the County Commissioners' Office in Claremont, New Hampshire on July 6, 1965 at 7:30 p.m. The purpose of the meeting was to discuss the purchase of the Shute property adjoining the County Farm, consisting of 22 acres and buildings for \$4,200.00.

Members present were: Spanos, Downing, Adams, Frizzell, Hood, Mackintosh, Nahil, Bailey, Barrows, Gaffney, Merrifield, Williamson, Marx; and delegates Weber, Bascom and Wirkkala. Commissioners Woodhull, Forrest and Bailey were also in attendance.

Because of Chairman Marx being detained, Mackintosh made a motion, seconded by Downing, to allow Mr. Nahil, Chairman of the Finance Committee to preside. Motion carried.

Mr. Nahil took the chair and read a letter from the commissioners stating they had received notice that the Shute property was in the process of being sold to an out of town buyer. However, a land rental lease given to the County, gave it first refusal. The immediacy of a ten day option was also stated. Mr. Merrifield made a motion, seconded by Hamilton, to purchase the property. While discussion was in order Mrs. Marx arrived and took the chair. More discussion ensued. Mrs. Adams asked for a roll call, the results as follows:

Yeas: Gaffney, Nahil, Barrows, Hamilton, Mackintosh, Merrifield, Wirkkala and Bascom

Nays: Adams, Frizzell, Williamson, Bailey, Downing, Spanos, Hood, Weber

The vote being 8-8, Mrs. Marx voted yea to break the tie. Motion to purchase carried.

New business consisted of electing a member to replace Mr. Guest on the Finance Committee. Upon motion by Frizzell and seconded by Bailey, Mrs. Adams was nominated. There being no further nominations Bailey made the motion for the Clerk to cast one ballot, seconded by Downing, for the election of Adams. Motion carried unanimously.

Mr. Spanos asked that his resignation from the Hospital Committee be accepted because of pressing business. The Chair accepted.

At 9:30 P.M. Mr. Merrifield moved to adjourn, seconded by Weber. Motion carried.

Dear Mr. Bailey

Sincerely yours,

Commissioners' Office
Claremont, New Hampshire
August 30, 1965

There was an emergency meeting of the Finance Committee Monday, August 30, 1965 at 7:30 P.M., held in the Commissioners' Office, 149 Broad Street, Claremont, New Hampshire.

Present were members of the Finance Committee: Messrs. Nahil, Wirkkala, Barrows and Spanos; Commissioners Bailey, Forrest and Woodhull, and Supt. of the County Home, Omer Ahern.

This meeting was called because of trouble with the boiler and hot water tank at the County Home. Chairman of Finance Committee called the meeting to order at 7:45 P.M. Mr. Ahern read a letter from the New Hampshire Insurance Company re: inspection of the boiler conducted on August 11, 1965 which stated that the inspector found the boiler unsuitable for operation unless extensive repairs were made immediately. Insurance coverage was suspended August 16, 1965 pending repairs. Boiler and hot water tank were re-inspected with Mr. Parker of the Dillon Boiler Works and at this time the hot water tank (1000 gal.) was also condemned. Discussion ensued and it was decided advisable to repair present boiler and replace hot water tank at this time, since present plans call for enlarging County Hospital and new boiler at this time might not be large enough to take care of new building. Cost of repairs to be made estimated at \$3,500.00.

Motion made by Mr. Barrows, seconded by Mr. Wirkkala, that the Commissioners be given permission to spend \$3,500 to have the boiler repairs and install new hot water tank. Motion carried. Money for these repairs to be taken from general funds. Finance Committee also granted permission to waive bids due to time element and the urgency of this situation. Mr. Parker of the Dillon Boiler Works to be contacted by Mr. Ahern at once.

Meeting adjourned at 8:30 P.M.

**SPECIAL REPORT ON COUNTY HOSPITAL
NURSING HOME ADDITION**

As previously noted in the Delegation Proceedings, at the Annual Budget Meeting held March 1, 1965 under Article 21, the sum of \$2,500 was voted, raised and appropriated, to be used at the discretion of the appointed committee to have preliminary plans drawn up by certified architects for the new building.

Committee members are as follows:

Sam J. Nahil, Chairman
Mrs. Alice Adams
Arthur Barrows
James Mackintosh
John A. Wirkkala

Progress has been made. At the November 16, 1965 meeting Mr. Nahil presented architects, Brooke Fleck and Ted Lewis, of Hanover, New Hampshire. Enlightening discussion, questions and answers produced a projected picture necessary to proceed with the execution of the study, authorized by the Delegation on March 1, 1965.

The Committee report and plans will be presented to the entire Delegation at their Annual Budget Meeting early in 1966.

COMMISSIONERS' REPORT

To The Citizens of Sullivan County:

In accordance with the laws of the State of New Hampshire, the Commissioners of Sullivan County herewith submit their Annual Report for the year ending December 31, 1965.

We wish to express our sincere gratitude to all the County Officials and personnel with whom we have been privileged to work.

It is the complete cooperation of our doctors; nursing staff, of which Mrs. Lucile Waldo is Director; our Superintendent and Matron, Mr. and Mrs. Omer Ahern; and many others that make for the efficient operation of our hospital, plant and dairy farm.

We are pleased to report that as of January 1, 1965, Mr. and Mrs. Ahern were certified as Administrators by the American College of Nursing Administrators.

On May 26, 1965, they were awarded the Joseph D. Vaughn Award presented by the State Council on The Aging.

Emergency problems have been few in 1965. The greatest of these was the necessity of re-tubing one boiler and installation of a new hot water tank in the boiler room.

The need for a new hospital building still exists. Thanks to the County Delegation and the Building Committee we anticipate a new building in the near future.

The welfare obligations of the County continue to increase as the population of the county increases. The number of children in foster homes is greater each year. We cannot neglect them.

The County Commissioners wish to express their appreciation to the ladies in both the Newport and Claremont offices for their faithful and efficient services to the County.

Respectfully submitted,

CHARLES L. BAILEY

ARTHUR T. FORREST

REMINGTON B. WOODHULL

SUPERINTENDENT'S REPORT

To the Honorable Board of County Commissioners:

Once again it is time to look back on the accomplishments of the past year and looking ahead, to plan our action for the bright, new year; hopefully profiting from past experiences so that the skills we possess may better serve those who entrust themselves in our care.

1965 has been a busy year with progress being made in every department. The hospital has been filled to capacity with the waiting list continuing to grow daily. It was necessary to reduce the number of beds due to overcrowding in some of the wards as more patients required intensive nursing care.

Many generous donations have been made to the hospital by individuals and organizations such as an ice cream machine, a bath tub lift, lamps, chairs, televisions, a shampoo sink, a rug for the front hall, drapes for the altar, etc. — all adding to the comfort and pleasure of the residents of the institution.

One of the highlights of the year was a training program for nurse aides, 14 aides were trained under the N. H. Adult Education Program in cooperation with Stevens High School. This should benefit not only the County Hospital but should assist in providing aides for other local nursing units.

During the month of September a Vista, Mr. Ronald Wise, was assigned to the county institution by the N. H. Office of Economic Opportunity to work with the underprivileged and unfortunate in our county.

The Building Committee of the Delegation has been active and an architect has been employed to present preliminary plans for an addition to the county hospital. We hope the Delegation will look with favor on the expansion plans that we may better provide for the welfare of the citizens of our county.

We believe we should keep in mind the possible effect Medi-Care may have on the use of the County Institutions. At present, no one knows how great an impact the implementation of the federal program will make on use of nursing home beds. We feel certain that beds will be in great demand for a short period and could continue for some time to come. We should all realize that if we are to participate in the Federal Medi-Care Program a new accounting system will be

required in order to determine the actual cost for nursing services rendered.

It was necessary to make major plant repairs to the boiler room, replacing the hot water tank which had been condemned. The No. 1 boiler was retubed and other changes to the exterior were necessary for greater insurance benefits.

The farming operations are steadily improving, sufficient feed of high quality was stored for winter use even though drought conditions were severe. The vegetable garden was very productive and a good supply is available for the winter months. The dairy herd is nearly 100% registered; milk production is up with the number of milking cows remaining steady.

This past summer the D. H. I. A. held its annual meeting at the County Home. There was a very good turn out of members and a good time was enjoyed by all.

We would like to express our appreciation to our county commissioners, Mr. Bailey, Mr. Woodhull, and Mr. Forrest for their cooperation and assistance during the past year; our county attorney, Mr. Spanos for his counsel; and our sheriff, James McCusker and his deputies for their continued support.

Our County Home Auxiliary has continued with the friendly visiting program this past year and presented the hospital with visitor's chairs and lamps which were greatly appreciated. A new project has been undertaken to help Miss Carolyn Stoughton who makes individual birthday cakes for each resident who is celebrating his birthday.

We want to take this opportunity to thank Dr. Carl Stearns, our chief of staff and his medical consultants, and Mrs. Waldo, our Director of Nursing Services and her efficient staff.

We also wish to extend our thanks and appreciation to Rev. Romeo Valliere, our Catholic Chaplain and Mr. Barrus, our Protestant Chaplain, and members of the clergy of various faiths for their continuous spiritual guidance.

To the various organizations, clubs, societies, and individuals, too numerous to mention we extend our sincere thanks for the many gifts, much needed equipment, etc.

In closing we want to thank all our employees for their loyalty and dedication to the Sullivan County Home and Hospital.

OMER C. AHERN, Superintendent

ROSA C. AHERN, Matron

PHYSICIAN'S REPORT

To the Commissioners of Sullivan County:

It has been a pleasure to work with the Commissioners and along with the progressive Superintendent of the Sullivan County Nursing Hospital, Mr. Omer Ahern, and Mrs. Ahern, the Matron. The task of attending to the medical needs of our patients has been made much easier by the skill and efficiency of our Chief Nurse, Mrs. Lucile Waldo, and the fine nurses associated with her.

We have profited, too, by having on our consulting staff such highly qualified men as Dr. Robert G. Maxfield, Surgeon in Chief of the Claremont General Hospital, Dr. Alberto Miyara, Internist and Chief of Medicine at the General Hospital, Dr. Robert Shoemaker, Orthopedic Surgeon, Dr. Hanford Auten, Ophthalmologist, and Dr. J. Howard Sprague, Dentist. All the facilities of the Claremont General Hospital have been available for our patients through the courtesy of Mr. Garner Goodwin, the hospital Administrator. During the year 1965 there were 49 laboratory procedures and 11 X-Rays performed by the cooperative technicians at the Claremont General Hospital.

Our Physiotherapy Department served 41 patients last year. We have a part-time therapist, Mrs. Priscilla Buinicky, an expert in her field, and a full-time rehabilitation aide.

The Occupational Therapy Department has been more active than ever, under the guidance of our Registered Occupational Therapist, Mrs. Charlotte Hawkins, assisted by Mrs. Blanche Stoughton.

During the past year, there have been 19 admissions to the Sullivan County Nursing Hospital, and only 13 deaths. It is too bad that we have had to turn down many applications for admission, because we do not have the room. When Medicare begins in July 1966, the demand for beds will be greater than ever.

CARL M. STEARNS, M. D.

Chief of Medical Staff

PROTESTANT CHAPLAIN'S REPORT

During the year 1965, worship services have been held in the Chapel almost every Saturday evening. Attendance has averaged between 15 and 20. The Chaplain has occasionally visited at other times and has provided devotional materials, such as "Home Prayers" and "The Upper Room" to all who desired them.

The Chaplain particularly wishes to express appreciation to the many who have contributed significantly to the Spiritual health of the residents; the Superintendent and staff who so sincerely work for the welfare of all, the nurses and volunteers who go out of their way to do more than required, and the ministers and representatives of other Churches who visit, provide news and literature, serve Communion, and bring their choirs. This all adds to the great enjoyment and uplift of those who live in this friendly and happy home.

Respectfully submitted,
ALVAN BARRUS

CATHOLIC CHAPLAIN'S REPORT

To the Sullivan County Commissioners:

This report is a brief summary of the activities which took place at the County Hospital during the year 1965.

The celebration of the Holy Mass was offered at the Hospital once a month. Holy Mass was also given on special occasions. During the year about 14 assisted Mass faithfully. I had about 25 faithful communicants.

The Sacraments and spiritual counselling to each was made available by personal contact throughout the Hospital every time I was there. The Chaplain is always available for the spiritual welfare of all at any time.

Again this year, a limited quantity of religious literature was provided by St. Mary Church and by individual donors. Also this year, we had the welcomed and continued help of the St. Mary C. Y. O. in providing assistance to the patients of the Hospital.

The Chaplain has always found the County Hospital Staff and nursing department most cooperative whenever their assistance was sought.

I wish to express my thanks to everyone.

Respectfully submitted,
REV. ROMEO VALLIERE
Catholic Chaplain

I am pleased to report that the 1965 Legislature at long last has now authorized a salary of \$8000.00 and a full time deputy at \$5000.00 with transportation furnished. Futher, all writ fees to be paid over to the County Treasurer for those writs served by the Sheriff and full time Deputy. In the last few years I have on a few rare occasions served writs, as I told the Finance Committee, and this past year have served only two writs, one served before July 1, 1965 and one after that date which fee I paid over to the County Treasurer. My full time Deputy also served one writ after July 1, 1965 which fee also was paid over to the County Treasurer.

Of course, there are some misinformed people who think that the Sheriff serves \$5000 to \$6000 worth of writs a year when in truth and in fact there is not over \$3000 worth of writs served within the County. But of course this type of person plays lightly with the truth and for personal reasons. ●

I wish to thank again the citizens of Sullivan County for their help given to me in many matters pertaining to the sheriff's office and to Mrs. Waltz, Mrs. Winter and Miss Bowles of the Commissioners' Office for their help and cooperation. The county is very lucky to have these efficient and dedicated workers.

I wish to thank all law enforcement officers for their help and I commend my deputies for work well done.

Especially do I thank our County Attorney Charles V. Spanos for his advice and cooperation and the pleasant relations between the two departments.

Again I say, thank you Commissioners for your cooperation and help and for the wonderful job you have done in the past.

Respectfully submitted,

JAMES F. McCUSKER, Sheriff

REPORT OF COUNTY ATTORNEY

December 31, 1965

The Commissioners of Sullivan County
Newport, New Hampshire
Gentlemen:

The following is my report to you as Sullivan County Attorney for the year 1965, relative to the matters handled by this office during the course of the year.

Throughout the year this office has handled numerous legal matters, including civil suits for the County, misdemeanors for the District and Municipal Courts of the County, felonies for the State of New Hampshire, criminal investigations, reciprocal non-support actions, and investigation of all violent deaths, including death by drowning, automobile fatalities, suicides and homicide.

A numerical breakdown of these matters shows, that in 1965, this office presented four (4) cases to the Grand Jury; twenty-six (26) persons waived indictment and pleaded guilty to felonies, which crimes included armed robbery, breaking, entering and larceny, attempted rape, etc.; there were twelve (12) appeals to the Superior Court, two of which were tried by jury; one (1) Bastardy complaint settled for the County; three (3) civil suits brought for the County, and twenty-five (25) cases under the Uniform Reciprocal Enforcement of Support Act in which New Hampshire was the initiating or responding state. This office also prosecuted over fifty (50) misdemeanors in our District and Municipal Courts throughout the year and counseled numerous juvenile offenders.

Along with my regular duties as County Attorney, I have, with the aid of Louis Rule of the Probation Department proposed changes in the procedures to be followed under the Sexual Psychopaths Act in an attempt to speed up the process so that the accused will not languish in jail for an unreasonable period of time.

Further, as County Attorney, I have attempted to use the bail system judiciously, not as a form of punishment, but rather as a means of insuring the appearance of the accused.

To better comprehend the workings of the office of the County Attorney, perhaps the following chronology of a typical day would be helpful.

The day begins at 9:00 a.m. — Woman comes into the office and wants her husband arrested for non-support. Prepare non-support complaint. Hearing set for following week in Newport District Court.

10:00 a.m. — Prosecute police complaint against defendant for driving while intoxicated in Claremont District Court.

11:15 a.m. — Return to office, a woman comes in and files Reciprocal Non-Support charge against her husband in Iowa.

11:30 a.m. — Police call, want County Attorney to interrogate persons suspected of breaking and entering and larceny.

11:45 a.m. — Call from Sunapee Police to appear in Sunapee Municipal Court on Friday evening on assault case.

1:00 p.m. — Interrogate suspect. Prepare complaint and set arraignment for next day at 10:00 a.m.

2:00 p.m. — County Commissioners call, want opinion on the Town's right to discontinue road. Prepare legal opinion for County Commissioners.

3:00 p.m. — Prepare indictment against accused on charge of manslaughter. To appear before Grand Jury in February Term of Court.

3:30 p.m. — Suit brought in Superior Court for the County against an Estate to collect monies owed to the County.

4:00 p.m. — Call from Charlestown Police. Contact office to appear at Charlestown Municipal Court and prosecute driving to endanger case tonight. Obtain facts of case from Police.

4:30 p.m. — Call from Superior Court Clerk requesting information regarding case pending before Superior Court; i.e., appeals from lower Courts and felonies.

4:45 p.m. — Call from defendant lawyer requesting information as to recommendation for sentence in event of plea, and request to prepare waiver of indictment.

7:00 p.m. — Drive to Charlestown and prosecute driving to endanger case (misdemeanor).

1:00 a.m. — Call from State Police. Body found in trunk of car. Go to scene and investigate for possible crime.

Of course, this schedule is not the same each day. However, it is typical of the type of work which is performed by your County Attorney.

The cooperation which I have received from Sheriff James McCusker and his deputies, the State and local Police Departments, the County Commissioners, the Clerks of the various Municipal and District Courts in our county, the Clerk of Superior Court, and other State, local, and County officials have made my first year as County Attorney a pleasant and rewarding experience, and I would like to take this opportunity to express my appreciation for their counsel and cooperation.

Respectfully submitted,

CHARLES V. SPANOS

Sullivan County Atty.
